## The Tannery

This old industrial precinct from the 19<sup>th</sup> century is now home to a retail complex boasting stunning architecture and art, and home to a concentration of boutique shops; a hub of creativity and hospitality, retail, craft and entertainment.

With its iconic French tiled floors, mahogany shop fronts, stained glass, the bespoke iron arches and translucent roof, this reborn industrial precinct is your palette to create a truly memorable event.

### Incentive idea:

- Pair up with the on-site spa for an afternoon of relaxation or enjoy a fun guided tour, beer tasting or pizza making at the brewery.

Region: Christchurch | Time from CBD: 15 minutes | Group size: Up to 350 pax | [Website listing](#)

## The Vineyard @ Rossendale

The specifically designed events venue, set amongst beautiful gardens and with the backdrop of a working vineyard, is the perfect venue for a memorable incentive function.

The peaceful location and friendly, professional staff allow you and your incentive guests peace of mind, knowing there will be no interruptions and that all of the finer details will be taken care of.

### Incentive idea:

- Add your personal touches and ideas to the theming and see it come to life. Enjoy a beautiful meal with wine matching for a memorable event.

Region: Christchurch | Time from CBD: 20 mins | Group size: Up to 150 pax | [Website listing](#)

## Transitional Cathedral

This iconic venue is a symbol of the significant rebuild undertaken in the city. It is the only Cathedral in the world made sustainably and stands proud as one of the most recognisable inner city landmarks.

The building is designed by world-renowned architect Shigeru Ban. Triangular windows facing Latimer Square depict images from the original Cathedral's stained-glass Rose windows and create an impressive sight.

### Incentive idea:

- Take a nod to the building's design and create a sustainability focused day or evening function, or utilise the magnificent ceiling height and create a spectacular aerial circus performance from the high apex.
